Between the River Park Maasvallei and the Buitengoed Geul en Maas lies the charming village of Bunde. You can easily park your car in the center and thanks to the station, Bunde is also easily accessible without a car.

If you follow the red posts, you will not only get to know the center, but you will also discover the Kruisberg and the beautiful Bunderbos, the bottom of which is strewn with rich spring bloomers.

In the forest area, the hiking poles are not clearly visible everywhere. Take your hiking map with you when you go out.
