Mergellandroute Zuid-Limburg

Driving route
114.1 km

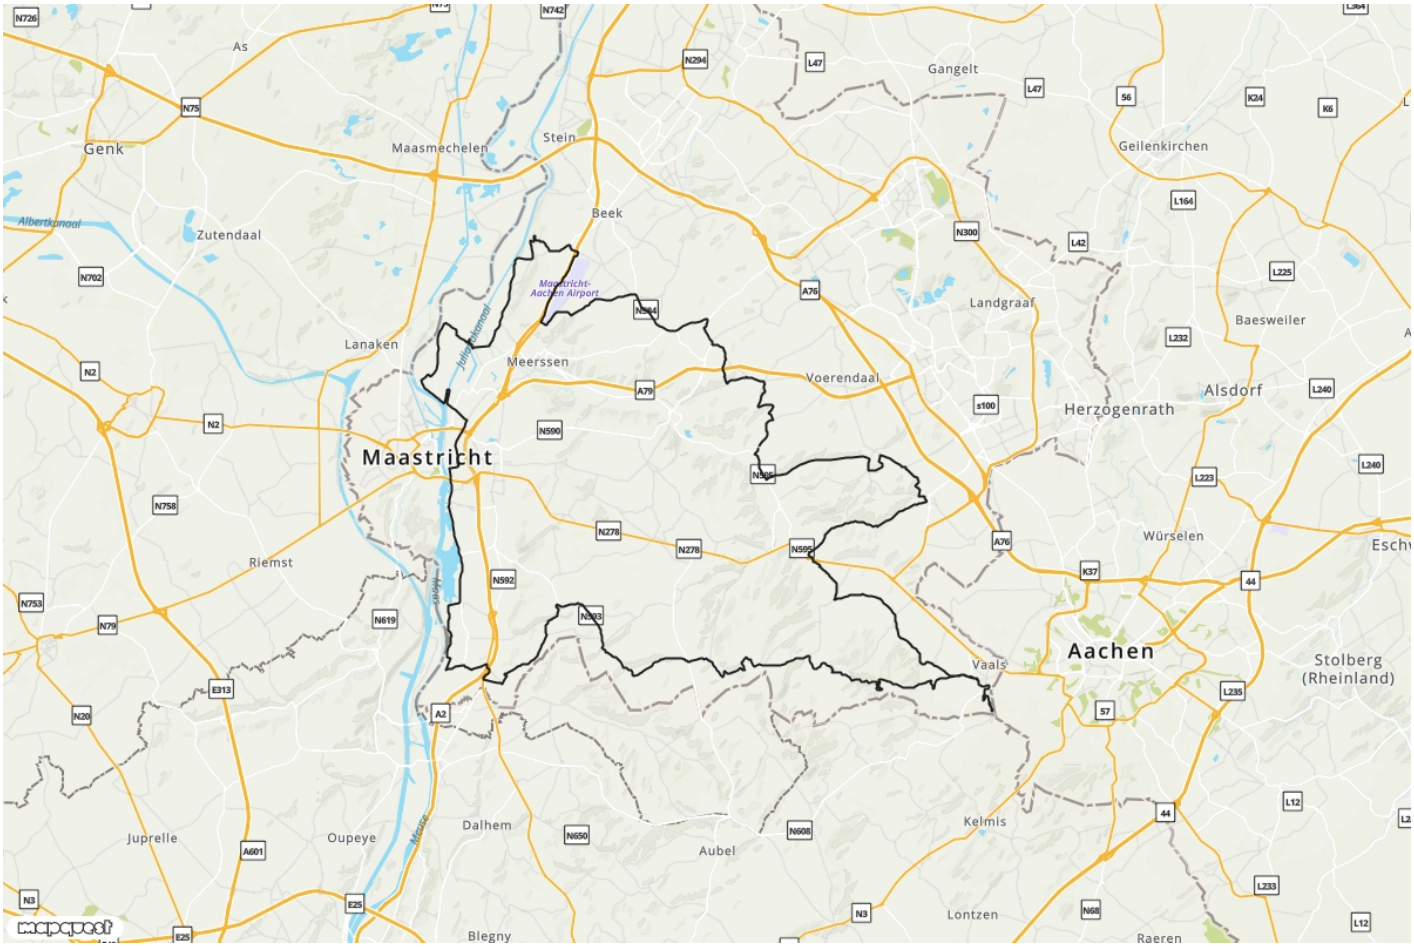

Start- and endpoint
Limburglaan 312, 6229 Maastricht, Netherlands

Level of difficulty
Heel makkelijk

From the Drielandenpunt on the Vaalserberg to the most famous cityscapes of Maastricht: on this car route you will see all the highlights of the South Limburg hill country.
NB! Be aware that the routes partly take local roads that are also used by cyclists and walkers. Give each other space, limit your noise level and adjust your speed, so everyone can enjoy their ride. Therefore, check the traffic situation on site and adjust your behavior accordingly to avoid dangerous situations. Get on the road safely !

The Mergelland Route, which can be followed via the special hexagonal Mergelland Route signs, is truly one of the most famous car routes in the Netherlands.
