With its breathtaking Basilica of the Blessed Sacrament, elegant Proosdijpark and interesting synagogue, the center of Meerssen is well worth a visit. After a look at this beautiful core, the Meerssen 2 walking route also takes you to the wooded area east of Meerssen. Here you will find the hidden gem Waterval, where the Watervalderbeek rises and meanders along the lush sloped forest, until it dives underground again at the Pletsmlen on the edge of Meerssen. You follow this varied walking route via the red posts. You can easily park your car at the train station and have the best break along the way at the Geulhemermolen, with a view of the glittering Geul.
