The varied walking route Bunde 4 shows you the center of the village of Bunde and the beautiful nature of the Bunderbos and Geullerbos. In the village center you will find the characteristic Sint Agneskerk and various catering establishments where you can park and drink a nice cup of coffee. If you follow the yellow posts further into nature, you will arrive in the Bunderbos: the steepest sloped forest in the Netherlands with its babbling brooks and numerous spring bloomers.
