During this walking route you will see the Geul beautifully situated in the landscape of the Geul valley. This region is also known as Buitengoed Geul & Maas, a tourism partnership of Valkenburg, Meerssen and Maastricht. Thanks to this collaboration, you can walk on some beautifully renovated hiking trails. You walk through the forest, over and along the Geul and along marl quarries. The route starts from Berg. Along the way you pass Uitspanning de Nachtegaal and the Geulhemmer quarry. The route can be followed via the blue posts. Parking is easy in Berg. Please note: in wet weather some sections of the route may be slippery.
